

FIRE K9.ORG – BOARD OF DIRECTORS

Troy and K9 Pyro

President

Troy Morrison

Jamul, CA

Troy Morrison CFEI, CFII, is a founding member of Fire K9.org, and has been a certified independent accelerant detection canine handler since 2004. He assists in public and private arson investigations when requested with his yellow Lab **K9 Pyro**. He also offers fire prevention demonstrations for schools and community groups in the San Diego area with his fire prevention Dalmatian **K9 Ahren**. His past firefighting experience includes work as an Engineer, Station Captain, and Public Information Officer (PIO) for San Diego Rural Fire Dept. He is a Certified Fire Explosives Investigator (CFEI), Certified Fire Investigator Instructor (CFII), and a licensed electrician. Troy is on the Board of Directors of the CA Conference of Arson Investigators (CAAI), and is an active member of the International Association of Arson Investigators (IAAI,) and Canine Accelerant Detection Association (CADA). He lives with his family near San Diego, CA. Email him at tmorrison@firek9.org.

Eileen and K9 Rafa

Vice President

Eileen Porter

Goldendale, WA

Eileen Porter was elected to the Fire K9.org Board of Directors in 2012, and has been a certified accelerant detection canine handler since 2010. She and her two beagles, **K9 Trevor** and **K9 Rafa** certify annually with Fire K9.org and work for Q Dot Global – a private fire cause and origin investigation company in Goldendale WA. They also respond to assist in investigations in Washington, Oregon and the Northwest. Eileen has always been involved with dogs ever since she was a child. After moving to Washington State in 1973, she titled dogs in American Kennel Club shows in obedience and tracking. Prior to her involvement with fire K9s, Eileen handled cadaver, search and rescue, and explosive detection working dogs. She resides in Goldendale, WA. Email her at eporter@firek9.org.

Veronica and K9 Bella

Secretary/Treasurer

Veronica Barclay

St Helena, CA

Veronica Barclay, co-owner of Barclay Fire Services in St Helena, CA, is a founding member of Fire K9.org, and has been a certified accelerant detection canine handler with her black Lab **K9 Bella** since 2007. Together they assist in public and private arson investigations when requested by government, private and public agencies in CA and NV. They also offer fire prevention demonstrations for schools, businesses and community groups in Northern California. During fire season, Veronica works when needed as a Public Information Officer (PIO) and Volunteer in Prevention (VIP) for CALFIRE and is on the statewide response team for Silvertip Helitack Management Services. Her prior experience includes work as a seasonal fire lookout, winery owner and several non profit boards. Veronica is an active member of CA Conference of Arson Investigators (CAAI), International Association of Arson Investigators (IAAI), and Canine Accelerant Detection Association (CADA.) She resides with her husband in Napa Valley. Email her at vbarclay@firek9.org.

Linda and K9 Trevor

Linda Phelps was elected to the Fire K9.org Board of Directors in 2012, and is double certified through Fire K9.org as an accelerant detection K9 team with **K9 Rafa** and **K9 Trevor**. Currently working on her Evidence Technician certification, she and her Beagle partners work for fire cause and origin company Q Dot Global in Washington. Linda moved from California to Washington State in 1984, and spend 18 years as a canine handler of search and rescue dogs for police, sheriffs, FBI, and tribal police. Her experience includes work with evidence, tracking, and human remains detection canines. Linda is also an a licensed realtor and resides in Goldendale, WA. Email her at lphelps@firek9.org.

Fire K9.org is a nonprofit public benefit CA corporation founded in 2009, to support and promote the use of professional canine accelerant detection teams on an international level. The organization is funded solely by member dues, sponsors, and donations.
